Dear Parents/Carers

Re: Fundraising for Small Hall

We are writing to update you on our fundraising efforts to date in relation to providing cupboards to house musical instruments in the small hall. We raised £122 at our cake sale this week. **The outstanding amount needed in order to complete the musical instrument cupboards in the small hall is now £831.**

Date	Activity	Amount Raised
10.05.16	Cake Sale	£122
16.03.16	Spring Tea Party	£1006
	Total	£1228

We have a conditional £5000 grant from the company Schuh – however, in order to secure this we need to show Schuh that we have raised the remaining £1959 of the total needed (£6959).

Our aim is to raise funds for the shortfall by 10th June 2016 as there is a deadline to the £5000 grant. Time is of the essence! We believe we can really pull together and complete the fundraising for the amazing music education that children of Highbury Quadrant receive. It would be wonderful to preserve the instruments and prevent damage for all the children coming through the school who will need to use them. Therefore we have decided to have a few more fundraising cake sales. P.T.O. for any other fundraising ideas you may like to put forward and organise.

**INVITATION to 2 CAKE SALES!
TUESDAY 17TH MAY 2016
FRIDAY 27th MAY 2016**

**Venue: HQ Primary School, KS2 Playground
Time: 3:30-4:30**

Are you able to help us with these upcoming events as many hands make light work? We are looking for parents/carers to volunteer their help with the stalls and baking cakes/biscuits in order to support these fun events. We also invite you to support HQSA by attending and buying cakes. We are looking for donations of home baking skills to provide cakes and biscuits. Please do support in any way you can – we're almost there!

Please contact us if you would like to be of assistance. We would love to hear from you. You can contact any of the above contacts on the email and telephone numbers provided who can direct you to the event organisers.

Yours gratefully

Sharlene Anglin
